Expenses to include 50 cents per mile driving a company vehicle, motel/hotel, meals, travel tickets, car rentals etc., and any parts not covered under warranty.

Performance and Speed -
The production speed of the equipment listed in the quotation is our best estimation of the system’s performance. The actual production rate may be less based upon product and production line conditions.

Shipment -
Shipment dates are estimated and Seller does not guarantee that any Articles will be completed or shipped on a certain date. Seller agrees, subject to other provisions hereof, to use reasonable efforts to ship Articles within a time span suitable to the Buyer. It is the responsibility of the Buyer to provide the Seller with all necessary details, test materials and items needed for the design and manufacture on a timely basis so that Seller is able to fulfill its shipment obligations set forth herein. All shipping charges are the responsibility of the buyer.
