 **HEALTHIER DESSERTS**
are capturing hearts

Mini desserts are a

BIG HIT

 **ETHNIC DESSERTS**
are going mainstream

Merchandising

Our high clarity packaging drives impulse sales and makes premium assortments of desserts look simply irresistible.

Performance

Made from PET material, our packaging stays closed and will not crack or break under pressure. 100% recyclable, we provide a sustainable bakery solution.

Versatility

Available in a wide variety of options for cupcakes, muffins, pies, cakes and more, we offer unique designs, hinged and unhinged containers, as well as shallow or high dome options.

The Right Packaging Enhances Your Customers' Experience

- **Upscale Look:** Distinguished swirl and rainbow designs make indulgent treats feel even more special.
- **On Trend:** Mini and single serve portion sizes give consumers a treat without breaking the bank.

Meeting Operator Needs

- **Deliciously Displayed:** Clean aesthetics and innovative designs display desserts to drive impulse sales.
- **Stackable & Secure:** Sabert's locking and stackable lids and bases hold bakery items in place to ensure the ultimate in product integrity.
- **Made for Merchandising:** Efficiently show off your finest culinary creations in durable packaging that is designed to display.
- **Ready for Recycling:** Made from fully recyclable PET, providing an environmentally friendly packaging solution.
- **Conveniently Hinged:** Hinged designs help operators stock fewer items and save space in back of house.
- **Unique Designs:** With swirl and rainbow designs, our premium and professional packaging offers great versatility to showcase your desserts.
