

EcoTENSIL® THE NEW ECO-FRIENDLIEST FOLDABLE SPOONS!

EcoTensils are silky smooth like a soda cup, fun and sturdy to use! Consumers LOVE them! Made in the USA from renewable paperboard, they are extremely material and space efficient, and come in easy to manage, sanitary stacks. They use no GMO corn products. "Guilt-free" EcoTensils CLEARLY demonstrates one's true green efforts!

PRODUCT		USER BENEFITS	GREEN ATTRIBUTES	BEST WAYS TO USE
EcoTaster® Mini Tasting Utensil 	 3.25" Long • 1.25" Wide	Our greenest product, perfect for a few bites. <ul style="list-style-type: none"> • Less expensive than any compostable. • Take up 1/4 the space in shipping and storage • Bigger bowl than other tasters, so can replace costly full-sized utensils for demos. • Great size to use with or instead of small cups! • Great for dipping • Sanitary dispensing 	 Green dot material: <ul style="list-style-type: none"> • Compostable: ASTM D6868 • Recyclable • Uses much less material! • FSC (Forest Stewardship Council) certified • Low carbon foot-print in transit • Can eliminate the cup or larger utensils 	Any product that is bite-sized, or the consistency of cheesecake, watermelon or softer. <ul style="list-style-type: none"> • Bend 15-20, place in box for quick dispensing • Serve to side of food, don't leave IN food • Use at retail for demos, delis, and kitchens • Demo services, caterers • Manufacturers demoing products at stores, trade shows, events
EcoTaster® Mid Tasting Utensil 	 3.8" Long • 1.4" Wide	Same as above, plus <ul style="list-style-type: none"> • With a 15% bigger bowl than the Mini, the Mid is great for plating food directly, so they can often replace the costly cup or cracker! • The Mid has a backstop for liquids 	 Green dot material, Same as above <ul style="list-style-type: none"> • Can eliminate the cup more frequently, reducing sampling waste by at least half 	Same as above, plus <ul style="list-style-type: none"> • Catering: hors d'ovres can be plated on EcoTasters instead of a cracker. Turn upside down for elegant white. • The Backstop means the Mid is great for products with liquid, like cereal with milk.
Eco-iScoop® Ice Cream Tasting Utensil 	 3" Long • 1.5" Wide	iScoop is extra sturdy for ice cream sampling <ul style="list-style-type: none"> • Makes passing sample super easy (see photo)! • Less expensive than any compostable • Takes up much less space than plastic 	 Blue dot material: <ul style="list-style-type: none"> • Uses MUCH less material than plastic • Recyclable and compostable at facilities where milk cartons are accepted • Low carbon foot-print in transit and waste management 	Ice Cream or similar stiffer consistency products like fudge <ul style="list-style-type: none"> • Pinch two dots together to scoop. • Hold by one dot to serve to customer • This allows an easy pass, and customer will use in a pleasing open position.
EcoSpoon® Full-Sized Utensil 	 6" Long • 1.7" Wide	EcoSpoon is our full-sized and longer lasting utensil, like a soda cup. <ul style="list-style-type: none"> • Stays strong after being left in food for hours! • Beautifully brandable • Less expensive than any compostable • Take up 50-80% less space than plastic or bioplastic utensils! 	 Blue dot material, Same as above 	EcoSpoon is perfect for full servings <ul style="list-style-type: none"> • Great for frozen yogurt, parfaits, hot oatmeal, chili, deli salads and other foods to-go! • Long slim reach for deep parfait cups. • Great for schools, fast food, C-stores, delis, anywhere spoonable food is served to-go!
SpoonLidz® On-Package Utensils 	 Custom sizing	SpoonLidz® are over-lids for single-serve cups, which convert in one easy fold, to a fun and sturdy spoon. <ul style="list-style-type: none"> • Differentiates single serve products with value-add convenience of ab on-pack spoon! 	 Blue dot material, Same as above 	<ul style="list-style-type: none"> • SpoonLidz and other on-package utensil solutions are mostly custom products, and can be ordered though EcoTensil
EcoSecurity® Utensil aka, ESU Safety Utensils 	 5" L • 2.6" W	EcoSecurity Utensil is the safest utensil for prisons and mental health facilities, where utensils can be misused. <ul style="list-style-type: none"> • full-sized, long lasting. • larger grip. 	 Blue dot material, Same as above	ESU is designed to be the safest eating utensil available for prisons and mental health facilities. <ul style="list-style-type: none"> • saves cost of special "fingers only" menus, or counting utensils. • prevents costly incidents
