\*Available in processor grade gauge

## Secure Seal® Features

- Made with up to 50% Post-Consumer recycled plastic •
- Patented 360° seal allows for an air tight, leak resistant closure •
- PET containers are stronger and clearer than OPS alternatives •
  - Containers will not crack or dent in freezer applications •
  - One piece construction eliminates lost lids •
- Provides a better water-vapor and oxygen barrier compared to OPS allowing for longer shelf life •
  - Containers won't break down to oils from salads •
