

One-napkin-at-a-time dispensing system

Countertop high-capacity unit, holding up to 600 napkins, cuts down on dispenser refill time. Dispensers can be wall mounted or even double-stacked for high traffic areas with limited counter space.

Tabletop compact unit saves space on counters, tables, and concession areas.

- Customizable advertising insert
- Reduce napkin consumption by a minimum of 25%*
- Interfolded napkins reduce waste and help control costs
- Made of 100% recycled fiber
- Hygienic system: one-at-a-time dispensing minimizes cross-contamination
- Completely sealed poly package protects napkins until ready for use
