SPECIALIZED FOOD SERVICE & CLEANING PROGRAM

Imperial Bag and Paper Company offers a wide range of manual warewashing detergents which are formulated to easily remove grease, lipstick, fruit pulp, soils and odor and promote rapid, spot-free drying. These detergents are Kosher/Pareve. Sanitizers sold by **Imperial Bag and Paper Company** provide a healthy environment in all food service, institutional, recreational, health care and business establishments by killing germs that can cause disease. Reduction of germs also reduces undesirable odors. These sanitizers will enable user to meet local Board of Health requirements.

MANUAL WAREWASHING

Wash pots, pans and utensils with:

E-Z Suds® Liquid Detergent EP 707

E-Z Suds® easily removes grease, food soils and odors. To wash, use 1 oz. in 8 –10 gallons of water. For encrusted pans, put ½ oz. of E-Z Suds® in pan and allow to soak before washing.

- Excellent for all hand warewashing; for easy cleaning of pizza pans, sauce pots, lasagna pans, etc.
- Quickly removes grease, cooking oil, food soils and odors
- Mild, pleasant scent; Concentrated for economy
- Gentle on hands
- Use just 1 oz. per 8 to 10 gallons of water

Breakthru' Pink Dish Detergent BT 001

- Makes Dishes, Glasses, silverware, Pots and Pans sparkling clean
- Rinses freely; Does not leave residue on dishes, utensils or silverware
- Works well in hot, cold or soft water
- Contains no soap or fat. Made essentially for institutional use
