NAPKINS  
 from  
**hoffmaster®**

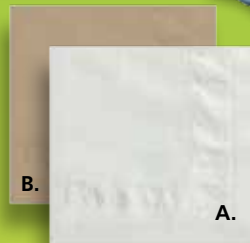

Hoffmaster's Earth Wise® Tree Free™ napkins are the only napkins in the world that are 100% Tree Free. These napkins are an affordable alternative to tree-based and recycled napkins and truly go beyond green!

Earth Wise® Tree Free™ Napkins  
 by Hoffmaster®:

- Have an upscale and unique embossing that tells customers you made a sustainable choice.
- Are extremely soft and absorbent so your customer will only need one napkin.
- Are 100% Tree Free, which means that there is no wood pulp used to make the napkins so all the resources used quickly renew in 12 months or less.
