

Ready-to-Use in Style!

WNA offers an additional way to capitalize on the overwhelming popularity of Reflections™, the patented* single-use silverware.

Reflections™ Rolls, which offer premium performance with disposable convenience, are now also available with a black napkin. Preassembled disposable sets include upscale Reflections™ cutlery enclosed in a linen-like black dinner napkin and sealed with an elegant band. With the black napkin and printed band, the new Reflections Rolls are perfect for upscale black tie events. Ready-to-use sets eliminate preparation time, reducing the high costs of labor, without compromising an upscale presentation. With convenient case packs comprised of four 30-count bags, planning for various sized events is easy.

Offering the same shine and silver-sparkle as stainless steel cutlery, Reflections™ is the only solution addressing both the need for a formal presentation without the high costs associated with renting or owning (cleaning, transporting, and replacing) permanent flatware.

Reflections™ provide a unique and elegant alternative to disposable black or white cutlery.
