

The most cost efficient **GREEN** One-at-a-time dispenser napkin solution available!

One Nap

- One napkin-at-a-time dispensing provides up to a 50% reduction in napkin usage.
- Its one-at-a-time napkin dispensing design ensures that patrons use fewer napkins and touch only the napkin they use, thus improving personal hygiene.
- Plus, one-at-a-time dispensing helps decrease consumption, so you will reduce the number of cases you need to store.
- The ONE Nap is significantly less expensive than domestic interfold brands and increase profit margins for distributors and cut costs for end users
- Independent research has proven napkin usage is reduced 50% or more versus usage of smaller tall fold styles & by 30% versus usage of larger standard styles.
