

# Tork Intuition® and Tork® Matic Dispensing Systems

**Attractive. Hygienic. Reliable.**

With hands-free service, Tork Intuition and Tork Matic dispensers offer a sensible, hygienic solution for a range of upscale and high-use environments including foodservice establishments, healthcare facilities and office buildings. Smooth exterior surfaces ensure effective cleaning. Patrons touch only the towel they use, virtually eliminating cross-contamination, while one-at-a-time towel dispensing controls consumption.

## When Image and Hygiene Matter

### Tork Matic

Mechanical hands-free stylish dispensing system ensures one towel every time – a perfect fit for high-traffic, everyday washrooms.

### Tork Intuition

Patented electronic, no-touch hand-sensing system delivers a controlled length of paper toweling. Upscale look enhances an image washroom.

### Quality Roll Towels

Choose towels from three quality tiers to use with both Intuition and Matic:

- **Premium:** Ultra-soft, leaf-design, cloth-like towel
- **Advanced:** High-quality soft, white hand towel; choice of high bulk or standard
- **Universal:** Natural, durable paper towel

Several Advanced and Universal towels are 100% recycled and third-party certified.

# The Long-Lasting Benefits of Tork Dispensers

## Tork Matic

### Superior Reliability

Precision-built and designed to withstand high-use.

### Controlled Consumption

With one-towel-at-a-time dispensing, overuse is discouraged. Matic dispenses 9.5" sheets.

### High Capacity

Waste-reducing stub roll feature ensures the entire roll is used.

### Green Dispensing

Mechanical hands-free dispensing produces a towel smoothly every time. No batteries needed; powered by your patrons.

### Easy Maintenance

See-through window allows for easy and timely refilling.

### Stylish Design

Contemporary design with clean rounded edges fit any washroom decor.

## Tork Intuition

### Upscale Exterior

High-end Tork design enhances washroom décor.

### Customized Functionality

Choose from Sensor Mode for patron-activated dispensing, or "Hanging Mode" for ready-for-use hanging towel.

### Extended Battery Life

Uses only three batteries – the fewest in the industry – that last 40 rolls on average.

### Ultimate Adjustability

Adjustable sheet length (from 8" - 24"), optional dispensing time delay, and automated feed button allow for quick paper loading.

### Installation Versatility

Mount directly on wall or in a variety of recessed compartments\*; direct wire kit available to allow the dispenser to be plugged directly into a standard 110V wall outlet; numerous back plate mounting slots fit virtually any pattern.

## Nickelite™ Intuition

Nickel-coated ABS plastic creates the look of stainless steel.

- Won't dent or rust
- Easy to clean and maintain
- Minor scratches are easily repaired
- Lightweight cover promotes long hinge life
- Grounded cover ensures static-free towel dispensing
