

Karat® 4oz Paper Food Container

IMPORTANT NOTICE! PLEASE READ CAREFULLY!

1. Client must provide the Pantone color codes (solid uncoated) to Karat® by Lollicup USA, Inc. (Printer). A 10% color differentiation shall be accepted between the e-proof and actual product. In the case that Client fails to provide Printer with the appropriate Pantone colors, Printer will not be responsible for any color differentiation from e-proof.
2. Client takes full responsibility in obtaining the copyright of the design(s) involved in the custom print order.
3. As the result of printing, degrees of ink odor shall be expected in all custom printer orders. The degree of odor depends on the designs, colors, and area of printing. Client is hereby notified the possibility of printing odor and Printer will not accept returns or exchange requests based on the printing odors.
4. Under normal printing procedure, and to ensure printing quality, a white area will appear around the bottom rim as indicated by the area between the solid red line and green dotted line. The Client can make a special request to extend its custom cup design to the bottom rim (indicated by the solid red line). However, Client is hereby notified that a fully printed cup design will result in ink smear on the appearance of the custom printed cup, as well as inside cups due to packaging purposes. Printer is not held liable for any smudge appearances caused by Client's choice to a full print design.
5. Client will responsible to thoroughly check the e-proof prior to print production. Once the e-proof has been approved by Client, Printer will commence the production of the custom print order based on the e-proof. Printer is not held responsible in any errors on the design of the custom print cup once the e-proof has been approved. Client further agrees to the Printer's use of Client's company name, printed cups, and its image as trade references and sample showcasing.

To approve the e-proof of your custom order, please sign below by enter "I approve" and your name and date.

By Signing on this document, I hereby approve this e-proof and agree with the terms listed.
